**Will Douglass** had a great tournament and several other JV players made noise at the Westwood JV tournament this week. Will played 5 matches and came out on top in all of them to clinch the A-singles title for his first match ever for Bowie! Will defeated players from Westwood, Georgetown (twice), Vista Ridge, and A&M Consolidated. Will was never really challenged except in his second match, winning in a tie-breaker by a score of 8 to 7. He cruised in the final with an 8 to 3 score, and took home a large trophy! Way to go, Will Douglass!

Julieann Lu gave it her best in girls A-singles, but lost her first match in a tie-breaker, 7-8, and her second match by a score of 6-8. Both of these matches lasted a long time and took lots of effort. The future looks very bright for Julieann! In boys' A-doubles, Travis David and Brendan Castor also went down fighting in a tie-breaker for their first match, 7 to 8, against a good Thorndale team. Their second match against Westlake was not as close, losing 2 to 6. But both young men worked hard and gave it their best.

Sarah Martin decided to play a tie-breaker in girls' B-singles also, but could not hold on 7 to 8 against a good Westwood opponent. She then played a second tie-breaker against her next and final foe from Del Valle, but went down 6 to 7 in a very hard to take afternoon for all of her hard battling. Laura Phillips, however, had some success playing in B-singles also, beating two opponents and advancing to the semi-finals. But she could not get over the Westlake opponent in her path to the championship, and went down fighting by a score of 6 to 8.

In girls' B-doubles, the young team of Tara Kubsch and Anastacia Kulikova won a hard-fought first round match in yet another tie-breaker, 8 to 7, and advanced to the semi-finals. They then tried their best to get into another tie-breaker with a team from Leander, but narrowly went down by the score of 7 to 9. Anastacia has come all the way from Russia to play tennis for Bowie, and we are very glad to have her!

Way to go, Dawgs, you are the best!!

Coach Grimes

## **GIFTED/TALENTED INFO**

I wanted to share the newly created blog for the Department of Advanced Academic Services with you. We will post updates regularly for parents and educators directly on the blog. We encourage you to read through the few entries that we have posted so far and ask that you share the blog with both the GT parents and faculty of your campus as this will be another way that we will be communicating important information with both groups. We would also like to highlight different campuses throughout the school year. Contact us if your campus will be completing a special project, program, etc. that involves GT, Pre-AP, AP, Magnet, or IB students so we can highlight your campus.

## **Graphic designer, painter & illustrator, Bruce Grant:**

Bruce Grant, of Mudcat Design, will be donating 20% of his fee to **2012 Project Graduation** for anyone who uses his services to create Senior yearbook ads, or for an ad built to appear in any Bowie program or publication. Bruce has been a graphic designer, painter & illustrator for almost 30 years. He will give you a beautifully designed, professional ad and Project Graduation will benefit. He's happy to work with families, students and businesses to create their ads. Bruce has been a proud Bowie parent since 2001, and has designed many things for the Bowie community including the annual Lacrosse program, The Gary Fowler Memorial Golf Tournament program, club logos and other projects. He is also available for hand painted or digital portraits of your students whether seniors, athletes in action, musicians, or anyone else. It's a great way to capture the memories of your student's years at Bowie. These would make great graduation gifts. For the Bowie community, Bruce is offering a flat fee of \$40 for any size ad. Portrait fees will vary and 20% will also be donated.
