***** OTHER BOWIE NEWS and HELP WANTED *****

GIFTED/TALENTED INFO

I wanted to share the newly created blog for the Department of Advanced Academic Services with you. We will post updates regularly for parents and educators directly on the blog. We encourage you to read through the few entries that we have posted so far and ask that you share the blog with both the GT parents and faculty of your campus as this will be another way that we will be communicating important information with both groups. We would also like to highlight

different campuses throughout the school year. Contact us if your campus will be completing a special project, program, etc. that involves GT, Pre-AP, AP, Magnet, or IB students so we can highlight your campus.

Graphic designer, painter & illustrator, Bruce Grant:

Bruce Grant, of Mudcat Design, will be donating 20% of his fee to **2012 Project Graduation** for anyone who uses his services to create Senior yearbook ads, or for an ad built to appear in any Bowie program or publication. Bruce has been a graphic designer, painter & illustrator for almost 30 years. He will give you a beautifully designed, professional ad and Project Graduation will benefit. He's happy to work with families, students and businesses to create their ads. Bruce has been a proud Bowie parent since 2001, and has designed many things for the Bowie community including the annual Lacrosse program, The Gary Fowler Memorial Golf Tournament program, club logos and other projects. He is also available for hand painted or digital portraits of your students whether seniors, athletes in action, musicians, or anyone else. It's a great way to capture the memories of your student's years at Bowie. These would make great graduation gifts. For the Bowie community, Bruce is offering a flat fee of \$40 for any size ad. Portrait fees will vary and 20% will also be donated.
