

Bowie STUDENT DIRECTORY

ORDER YOURS TODAY!!!

The Bowie PTSA would like to apologize for the problems with last year's directory distribution. We have made significant changes in procedures and a change of ownership to ensure the directories get distributed in a timelier manner and with more accurate information. Last year's directories were sent home via advisory classes and we understand that not all directories made it to their destination. We will be mailing directories out to the address you provide (see order form below). Our goal is to have the directories mailed out during the fall semester.

Information below will be included in the directory unless otherwise noted on the SR290 form sent home in the first day packet. If you check the box on the SR290 form stating you DO NOT want your child's name published in a directory, then their name will not be published in the PTSA Student Directory for Bowie High School.

DIRECTORY Order Form
